ATTENTION: A conference call between experts will be held next week to finalize the testing protocols for ammonium nitrate testing that is scheduled to begin on November 11, 2013. During this call a final determination will be made regarding what tests Armstrong Forensic Labs will be performing on the ammonium nitrate that was collected in July. The list of tests that has been proposed by Armstrong Forensic Labs has been attached to this announcement.

The conference call will be led by three experts. One each for Adair Grain, CF Industries, and the collective plaintiffs. The interests of all parties are adequately accounted for by these three experts, however, if an expert that represents an interested third-party that is not included in the above mentioned groups wishes to participate in the conference call, they are free to do so. Legal counsel will not be involved in the call.

The two potential times for the conference call are Monday November 4, 2013 at 1:00 p.m. CST and Tuesday November 5, 2013 at 9:00 a.m. CST. Those individuals that wish to participate in the conference call, please click the following link and indicate which date and time is your preference for the conference call.

<http://doodle.com/wfaam34rfiv53tha> The date and time with more votes will be the selected date. If both times will work with your schedule, please select both dates in the poll. **THIS POLL WILL CLOSE AT Noon CST ON FRIDAY NOVEMBER 1, 2013.** All votes should be entered before that time to be counted.

The executive committee is being notified of this conference call and will facilitate informing their respective groups of the details of this conference.
